

COMMUNITY PARTNERS WITH HARD 90 BASEBALL

Hard 90 Baseball is creating a Community Partner page on our website to promote businesses that support Hard 90. Our goal is to create a mutually beneficial community of families and businesses that work together. We envision our Community Partner page as being a directory for families to use when they are in need of a variety of services and discounts.

Sponsorship only requires a one year commitment for a suggested donation of \$100; this averages out to less than twenty-eight cents a day! We will promote our Community Partner page via a link on our website's home page and encourage our families to patronize your business. Our website currently gets 110,000 hits per year and we anticipate this volume increasing with our academy's growth. We recently opened up our new facility in El Dorado Hills which is expanding our client base even further.

In this economy, it is important that we work together to help all of us thrive. We hope that you will consider being a part of this special opportunity with us. Thank you in advance for your consideration and we look forward to helping your business expand.

To sign-up, please fill out the form below and return it to our Roseville office.
